

ÄKTA™ avant, ÄKTA pcc™, and ÄKTA pure™

Attach sample cassettes to the instrument Instructions for Use

Scope

This manual provides instructions on how to attach cassettes to the ÄKTA™ avant, ÄKTA pcc™, and ÄKTA pure™ instruments. All cassettes designed for the fraction collector can be attached and used as, for example, sample containers.

Attach cassettes to the ÄKTA avant and ÄKTA pcc instruments

Follow the instructions below to attach a cassette.

Step	Action
------	--------

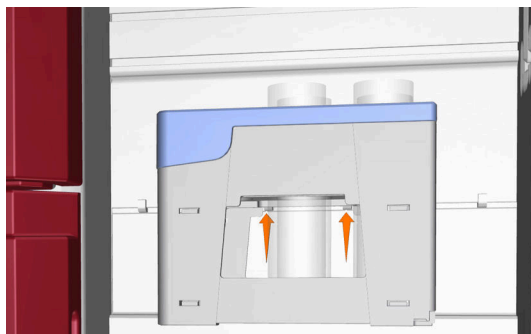

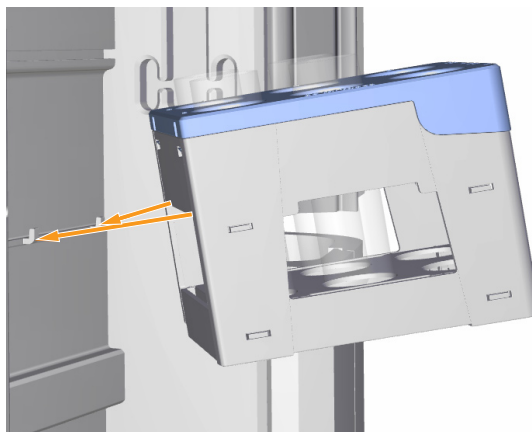

- | | |
|---|---|
| 1 | Locate the four hooks below the instrument display. |
|---|---|

Step	Action
------	--------

- | | |
|---|---|
| 2 | Cassettes can be attached with either the short or long side facing the instrument. |
|---|---|

Hook on a cassette, placing one of the large side holes over two of the hooks.

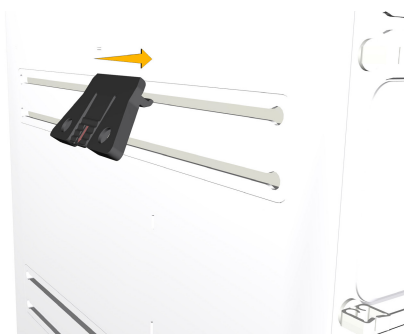

Attach cassettes to the ÄKTA pure instrument

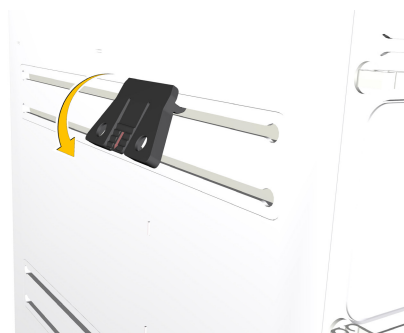

Follow the instructions below to install a cassette. The Multi-purpose holder must be used to attach a cassette to the ÄKTA pure instrument. Refer to *Attach Multi-purpose holder and Loop holder (29021464)* for more information.

Step	Action
------	--------

- | | |
|---|---|
| 1 | Snap the upper hooks on the Multi-purpose holder into the upper holder rail on the left side of the instrument. |
|---|---|

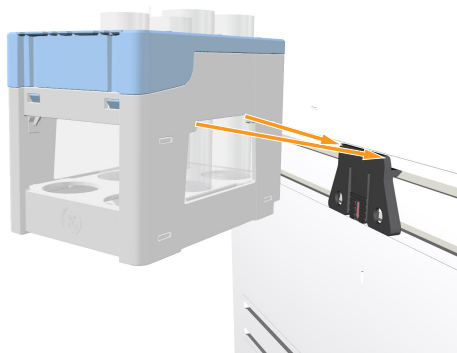

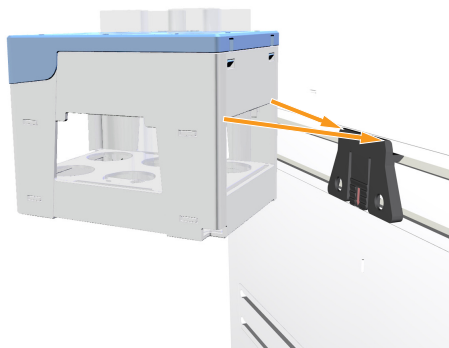

- | | |
|---|---|
| 2 | Press the tab on the holder and snap the lower hooks of the Multi-purpose holder into the lower rail. |
|---|---|

Step	Action
------	--------

- | | |
|---|---|
| 3 | <p>Cassettes can be attached with either the short or long side facing the instrument.</p> <p>Hook on a cassette, placing one of the large side holes over the top of the Multi-purpose holder.</p> |
|---|---|
